

# TASTE OF WICKHAM FESTIVAL

WICKHAM SQUARE, FREE FAMILY FUN

SUNDAY 10TH SEPTEMBER. 10AM - 4PM

## WHAT IS TASTE OF WICKHAM?

Taste of Wickham is much more than a food festival...  
it is a treat for our visitor's senses.

Run by a team of volunteers made up from local businesses and organisations along with a professional event manager, the event has been running for over 10 years. Supporting and showcasing local businesses and organisations the organising team want to give attendees a flavour of what Wickham and the Meon Valley has to offer.

The event is free to attend and includes varied free Children's activities such as face painting, music shows, craft sessions along with live music to increase customer dwell time. On average we have seen crowds of circa 4,500 during the one day event. The demographics of our audience are primarily families.

My business has had a stall every year and it's always a brilliant day of trading both outside and in the shop.

Sophie, The Wickham Chocolate Shop

Taste of Wickham is a great way to promote our business and the unique shop owners we have inside the lane.

By having a stall we can showcase to the large crowd on the day, who we often find come back and visit us after the event.
